

REPEAT NOI WORKSHOP

Dear Homeless Assistance and Public Benefits Providers:

REPEAT PRESENTATION of NOTICE OF INTEREST WORKSHOP: As a make-up session for those who could not attend on the original NOI Workshop on November 13, 2009, the Walter Reed Local Redevelopment Authority (LRA) will hold a repeat Notice of Interest (NOI) workshop on **January 20, 2010 from 10:00am to 12:00pm** to be held at the Offices of the Deputy Mayor for Planning and Economic Development (ODMPED) at **2025 M Street, NW, Suite 600, NW, Washington, DC 20036**. Please note that this NOI Workshop is a repeat of the NOI workshop that was held on the Walter Reed Army Medical Campus (WRAMC) on November 13, 2009 (see published public notice attached), with the same presentation and information as the first one, and no new information. It is intended for eligible organizations that were unable to attend the initial NOI Workshop. The purpose of this meeting is to provide an outreach and consultation workshop to local governments, representatives of the homeless and other eligible persons or entities who may have an interest in buildings or property at WRAMC for homeless assistance or other public benefit purposes. The goals of the workshop are to provide information about the base redevelopment, planning and property disposal process and explain the LRA's process and schedule for receiving NOIs.

Please note: there are a few noteworthy differences with this workshop from the one on November 13th. It is not being held on site at WRAMC and will not be immediately followed by a site tour. There will be another site tour scheduled, at a date to be determined with notification to follow. Also, there will not be Army presenters or other federal representatives.
